## **Supreme Council of Khmer Help Khmer for Rescue:** **To Restore Democracy and Human Rights to Cambodia**

**Monday, December 2<sup>nd</sup>, 2019, Long Beach California.** Supreme Council of Khmer Help Khmer is a political (SCKHK) movement established on October 6<sup>th</sup>, 2018, under the leadership of His Excellency Professor Dr. Ray Chhat Dam as the founder and the Commander-In-Chief of the organization.

SCKHK's United States Administrative Headquarters is located at 1133 Connective Avenue, NW Washington, DC 20036 with Legal Administrative Headquarters in Paris, France, and future Asia Administrative Headquarters in Kuala Lumpur, Malaysia.

SCKHK's mission is to liberate Cambodia from the current corrupted Hun Sen's regime which as installed and continues manipulated by the Vietnamese government since January 7<sup>th</sup>, 1979, even after the most expensive United Nations sponsor election in 1993.

SCKHK's core foundation and principle are to restore the 1991 Cambodia Paris Peace Agreement of "Agreement on the Political Settlement of the Cambodia Conflict Agreement Concerning the *Sovereignty, Territorial Integrity and Inviolability, Neutrality and National Unity of Cambodia*" with the republic government under a new constitution for the people and by the people to be called "KHMER REPUBLIC".

SCKHK is very well politically positioned by established global and regional allies with all the signatories of the 1991 Cambodia Paris Agreement including all the permanent members of the United Nations Security Council.

In the last short 12 months, SCKHK has aligned all the required political and financial apparatus to bring the axis of the evil regime to an end and including the financial platform to build the infrastructure and to stimulate economic development and develop the social infrastructure for the next 20 years.

SCKHK is in position to establish an interim government, KHMER REPUBLIC, and to be announced.

On December 6<sup>th</sup>, 7 pm PST, the Supreme Council of Khmer Help Khmer for Rescue's Ladies Group will premiere their first Facebook Live show in English, "Who is Dr. Ray C. Dam".
